

partment, are voluntarily providing information which is necessary for the system to carry out the purposes of this Act [sections 2061 to 2171 of this Appendix] and chapter 148 of title 10, United States Code.

**(e) Report on subcontractor and supplier base**

**(1) Report required**

The President shall issue a report (in accordance with paragraph (4)<sup>1</sup> which includes—

(A) a list of critical components, technologies, and technology items for which there is found to be inadequate domestic industrial capacity or capability; and

(B) an assessment of those subsectors of the economy of the United States which—

(i) support production of any component, technology, or technology item listed pursuant to subparagraph (A); or

(ii) have been identified as being critical to the development and production of components required for the production of weapons, weapon systems, and other military equipment essential to the national defense.

**(2) Matters to be considered**

The assessment made under paragraph (1)(B) shall include consideration of—

(A) the capacity of domestic sources, especially commercial firms, to fulfill peacetime requirements and graduated mobilization requirements for various items of supply and services;

(B) any trend relating to the capabilities of domestic sources to meet such peacetime and mobilization requirements;

(C) the extent to which the production or acquisition of various items of military material is dependent on foreign sources; and

(D) any reason for the decline of the capabilities of selected sectors of the United States economy necessary to meet peacetime and mobilization requirements, including—

- (i) stability of defense requirements;
- (ii) acquisition policies;
- (iii) vertical integration of various segments of the industrial base;
- (iv) superiority of foreign technology and production efficiencies;
- (v) foreign government support of non-domestic sources; and
- (vi) offset arrangements.

**(3) Policy recommendations**

The report required by paragraph (1) may provide specific policy recommendations to correct deficiencies identified in the assessment, which would help to strengthen domestic sources.

**(4) Time for issuance**

The report required by paragraph (1) shall be issued not later than July 1 of each even-numbered year which begins after 1992.

**(5) Release of unclassified report**

The report required by this subsection may be classified. An unclassified version of the report shall be made available to the public.

<sup>1</sup>So in original. Probably should be followed by a closing parenthesis.

| Sec.  |  |
| 2181. | Congressional declaration of policy.                         |
| 2182. | Extension of termination dates of mineral purchase programs. |
| 2183. | Quarterly ore reports to purchase program producers.         |

**§ 2181. Congressional declaration of policy**

It is recognized that the continued dependence on overseas sources of supply for strategic or critical minerals and metals during periods of threatening world conflict or of political instability within those nations controlling the sources of supply of such materials gravely endangers the present and future economy and security of the United States. It is therefore declared to be the policy of the Congress that each department and agency of the Federal Government charged with responsibilities concerning the discovery, development, production, and acquisition of strategic or critical minerals and metals shall undertake to decrease further and to eliminate where possible the dependency of the United States on overseas sources of supply of each such material.

(Aug. 7, 1953, ch. 339, § 2, 67 Stat. 417.)

**SHORT TITLE**

Section 1 of act Aug. 7, 1953, provided: "That this Act [enacting sections 2181 to 2183 of this Appendix] may be cited as the 'Domestic Minerals Program Extension Act of 1953'."

**SECTION REFERRED TO IN OTHER SECTIONS**

This section is referred to in section 2182 of this Appendix.

**§ 2182. Extension of termination dates of mineral purchase programs**

In accordance with the declaration of policy set forth in section 2 of this Act [section 2181 of this Appendix], the termination dates of all purchase programs designed to stimulate the domestic production of tungsten, manganese, chromite, mica, asbestos, beryl, and columbium-tantalum-bearing ores and concentrates and established by regulations issued pursuant to the Defense Production Act of 1950, as amended [sections 2061 to 2171 of this Appendix], shall be extended an additional two years: *Provided*, That this section is not intended and shall not be construed to limit or restrict the regulatory agencies from extending the termination dates of these programs beyond the two-year extension periods provided by this section or from increas-

ing the quantity of materials that may be delivered and accepted under these programs as permitted by existing statutory authority: *Provided further*, That the extended termination date provided by this section for the columbium-tantalum purchase program shall not apply to the purchase of columbium-tantalum-bearing ores and concentrates of foreign origin.

(Aug. 7, 1953, ch. 339, § 3, 67 Stat. 417.)

#### SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 2183 of this Appendix.

### § 2183. Quarterly ore reports to purchase program producers

In order that those persons who produce or who plan to produce under purchase programs established pursuant to Public Law 774 (Eighty-first Congress) [section 2061 to 2171 of this Appendix] and Public Law 96 (Eighty-second Congress) may be in position to plan their investment and production with due regard to requirements, the responsible agencies controlling such purchase programs are directed to publish at the end of each calendar quarter the amounts of each of the ores and concentrates referred to in section 3 [section 2182 of this Appendix] purchased in that quarter and the total amounts of each which have been purchased under the program.
